## INKJET PRINTABLE CLIPS

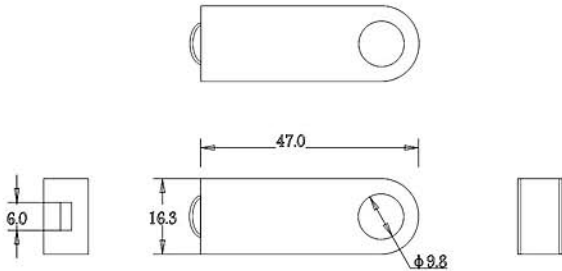

Made from Nexcopy's exclusive recipe of ink jet printable materials and proprietary coating process.

- Matte white finish
- Print ready both top and bottom
- Image is instantly dry
- Highly water resistant
- Ships in covered clip tray
- Compatible with standard swivel drives
- To be used with Nexcopy USB Clip Printer™

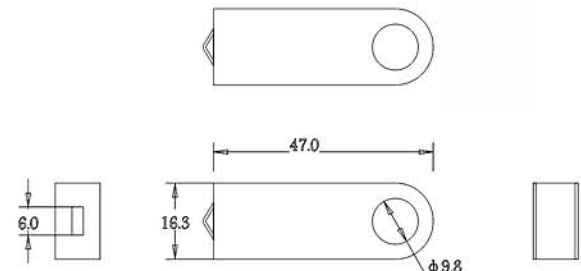

Inkjet printable clips are covered through Nexcopy's exclusive recipe of ink jet printable materials and proprietary coating process which insures beautiful, vibrant color prints every time. The printable clips are highly water resistant and completely dry immediately after printing. Clips are durable from scratches and normal wear and tear. Compatible with standard swivel drives.
